V. NOTICES FOR APPLICANT:

READ, UNDERSTAND AND COMPLY WITH THE FOLLOWING NOTICES

NOTICE: In addition to a zoning permit, if the subject property does or will require access to a public road or street, and/or will require improvement/change of curb to have access to a public road or street: If such State road or street is under the jurisdiction of the Commonwealth of Pennsylvania, you must obtain a Highway Occupancy Permit pursuant to Act No. 428 of 1945, as amended, known as the "State Highway Law"; Application for such Highway Occupancy Permit as to a Commonwealth road or street must be made to, with and processed by the Pennsylvania Department of Transportation. If such road or street is under the jurisdiction of City of Beaver Falls, you must apply for and obtain a Curb Cut application from the City.

NOTICE: In addition to a zoning permit, you may need to obtain other applications and permits for the development you propose, including but not limited to, depending on location of your premises, for sewage tap-in permit for connection to a public sewer, water connection permit (to be obtained from the Beaver Falls Municipal Water Authority, and/or Land Development approval, prior to being able to commence construction. Furthermore, following construction and prior to your placing into use the proposed structure/building, you will need to procure an UCC building permit from the City's Third Party Agency, MDIA. Also, if building onto several parcels the property will need to be consolidated before construction starts.

NOTICE: Property Owner or Project Owner or Applicant is responsible for any fees accrued with Widmer's Engineering, City Engineer, for any services provided for this project, such as Stormwater Management Plan, site plan reviews.

NOTICE: Contractor prohibited by law from employing any individual to perform work pursuant to this zoning permit unless contractor provides proof of worker's compensation to the City of Beaver Falls. Contractor also prohibited by law as to building or remodeling under subject Permit from engaging the services of a subcontractor unless subcontractor maintains workers' compensation insurance coverage as to subcontractor's employees. Failure of Contractor and Applicant for this Permit to maintain worker's compensation insurance according to law of Commonwealth of Pennsylvania requires stoppage of all construction/work under Zoning Permit issued and a Zoning Permit may be revoked.

NOTICE: Property owner is responsible for determining if property is subject to private covenants or private plan restrictions and compliance with the restrictions. Private covenants may be more restrictive than zoning regulations. Issuance of a building or zoning permit does not constitute compliance with private covenants or restrictions. Permits issued in violation of any private covenants or restrictions are the sole responsibility of the property owner or their authorized representative.
